HAMER SINGERS: Sunday 31 March, 3:30pm St Ignatius Church, 326 Church Street, Richmond

Renowned Scottish composer Sir James MacMillan has written the extraordinary Strathclyde Motets, which refract the language of the great Renaissance composers through a contemporary prism. These are the superb successors to the other works on this program, Robert Ramsey's three exquisite motets composed early in the 17th century while he was organist at Trinity College, Cambridge.
